## THE US METAL CRAFTERS PROMISE

“If you are like us then you are tired of empty promises about quality, delivery, service and price and you are looking for someone that takes ownership. At US Metal Crafters, each employee has a mindset of personal ownership. When you talk to a person at US Metal Crafters, you are talking to someone that has made the commitment to make sure we set legitimate expectations for you and then work hard to EXCEED them! You have my word.”

-Steve McDaniel,  
Principal
