## WHY US METAL CRAFTERS?

US Metal Crafters delivers more than fabricated and coated metal products. We deliver peace of mind. Yes, we have all of the equipment you'd expect: laser cutters, press brakes, powder coating etc.

But what sets us apart are our processes that ensure our partners get every order as specified, on the promised delivery date. The secret is in our processes.

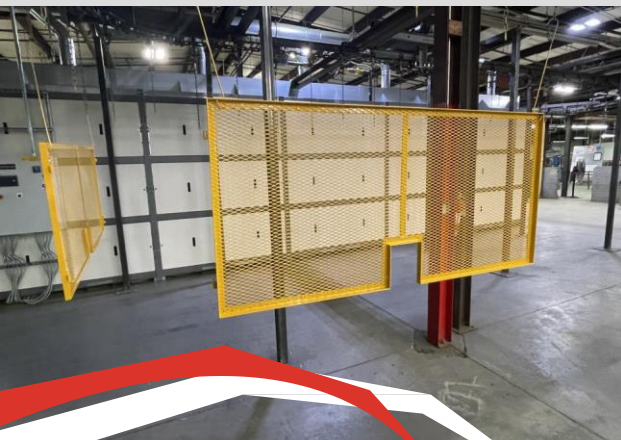

All of our processes are monitored and continuously improved with ISO 9001:2015.

## THE US METAL CRAFTERS PROMISE

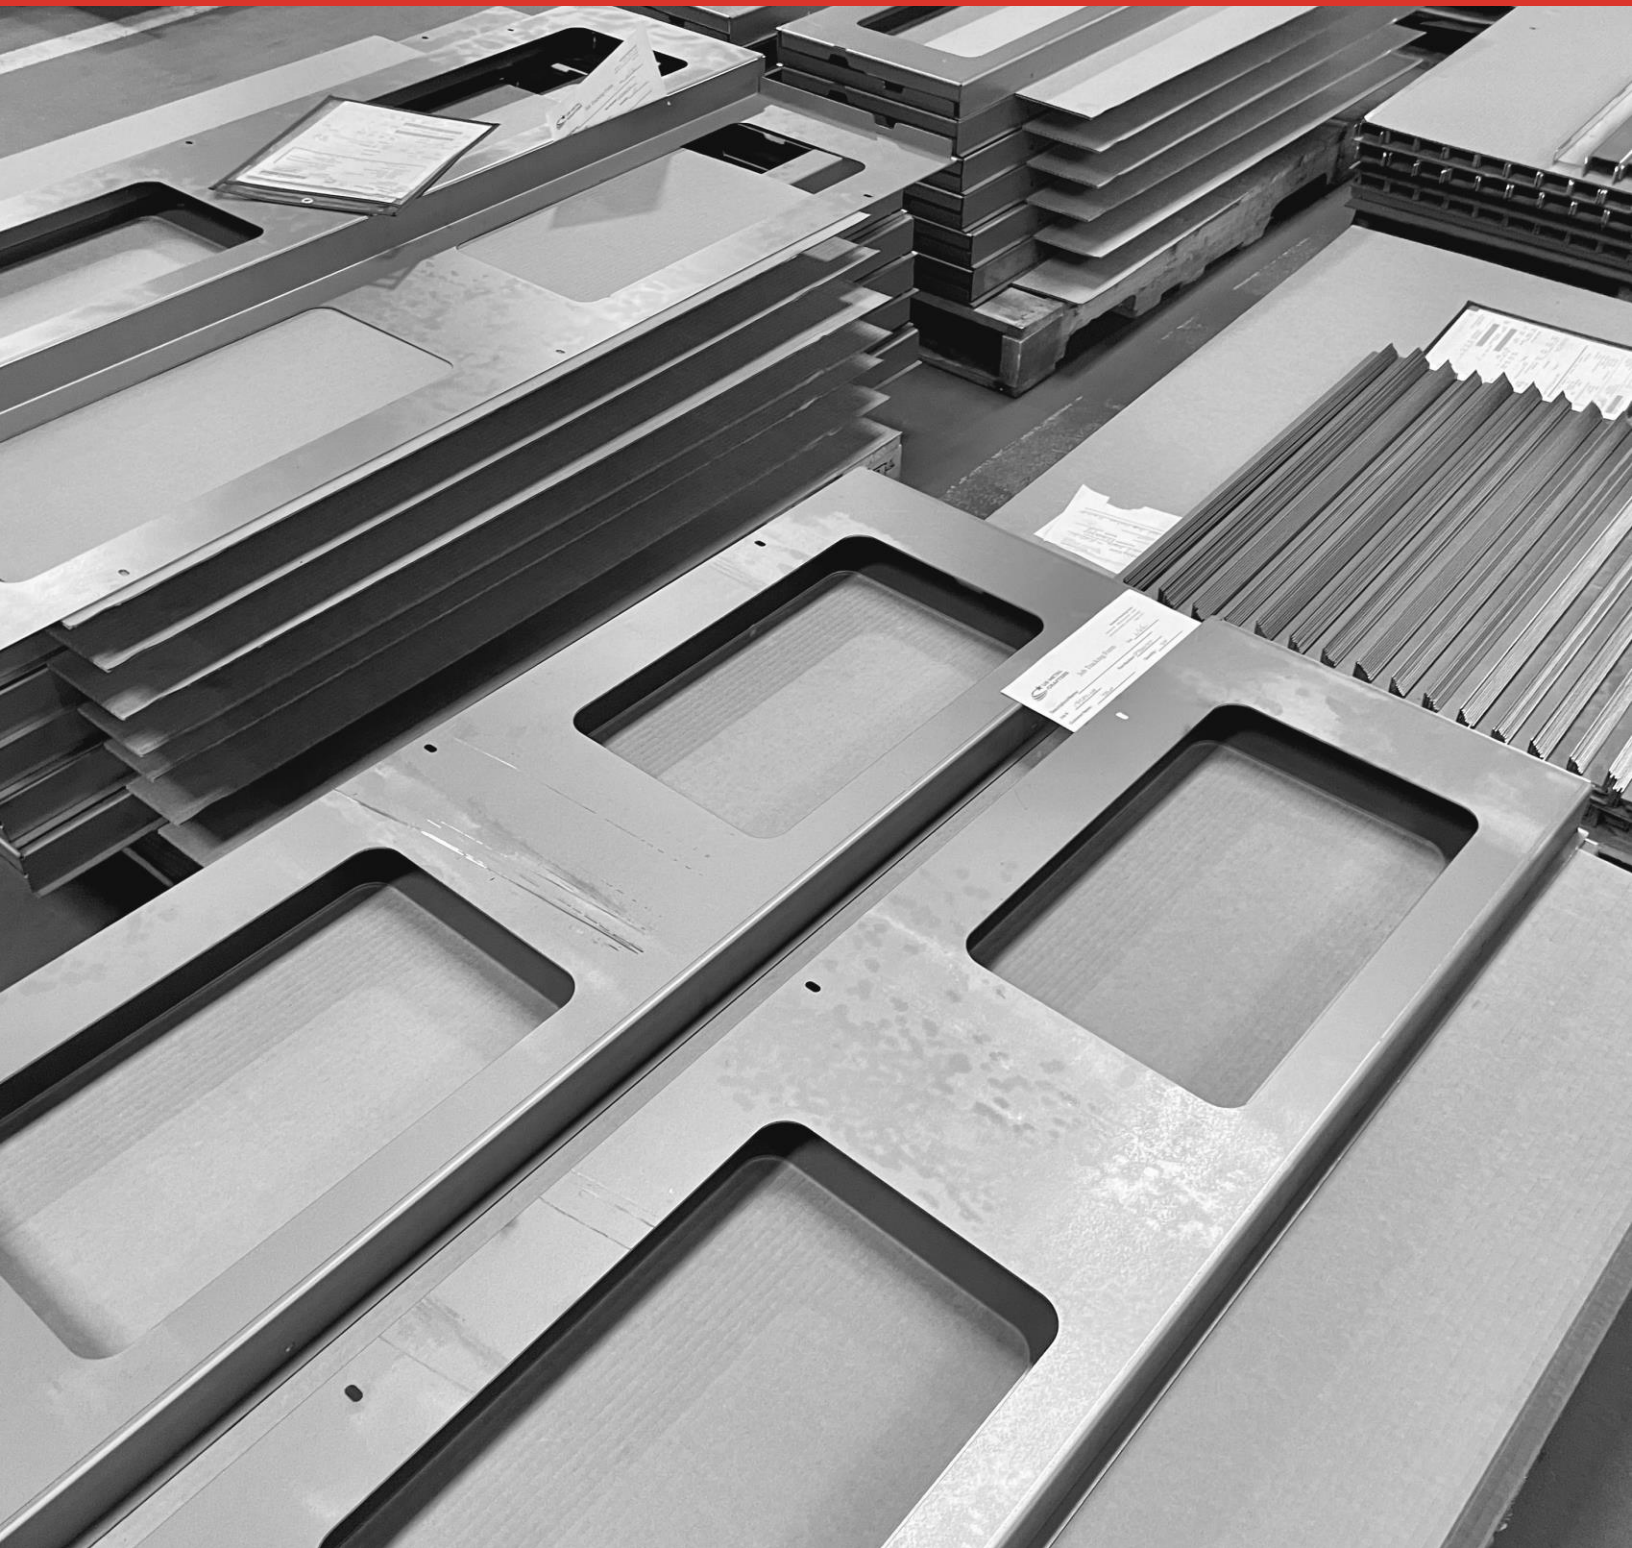

*"If you are like us, then you are tired of empty promises about quality, delivery, service and price. At US Metal Crafters, each employee has a mindset of personal ownership. When you talk to a USMC Employee, you are talking to someone that has made the commitment to make sure we set legitimate expectations for you and then work hard to EXCEED them! You have my word."*
